

Dear Vendor,

I am writing to you on behalf of the West Virginia Purebred Sheep Breeders Association. We appreciate your interest in our events, and welcome you to attend with your merchandise. With that being said, we will be charging vendors a setup fee to attend our spring and fall sales. This fee has been established to help make your visit and our event more successful. Vendors will be assigned a specific spot to display their merchandise. We will be offering different size spots to accommodate your needs. We will offer a 10x10 spot for \$50 dollars, anything more than 10x10 will be \$100. The 10x10 spots will all be located outside but sheltered (covered by a roof). Please contact Jonathan Taylor, President, at (304) 851-9970 if you would like to setup at any of our events.

Thanks,

Chasity Taylor
